

# Fork Slot Bucket

The Fork Slot Bucket is a strong durable bucket that is easu to install and remove

## Features

- Will work with most telehandlers and forklifts.
- Large capacity.
- 3/4" x 6" wide carbon steel cutting edge.
- 1/2" x 3" wear strips.
- More affordable than a dedicated quick attach telehandler bucket.
- Easily pins onto your telehandler fork tines.
- Ideal for construction site clean up and light material.
- Optional bolt-on cutting edge

Size	Capacity	Weight
60"	1.60 yd <sup>3</sup>	665 lbs
72"	1.20 yd <sup>3</sup>	725 lbs
96"	1.00 yd <sup>3</sup>	960 lbs
