

## Skid Steer X-treme Snow Pusher

### Features

Our Extreme Duty Snow Pusher allows you to clear a parking lot quicker than a snow plow. The snow pusher edge is 1" thick, adjustable, reversible and replaceable rubber so you don't tear up the pavement. The mold board is 1/4" and the sides are 5/16" thick for extra support.

• 72" pusher      • 84" pusher      • 96" pusher
